A supportive community

We are proud of the community we have created, and every colleague in our network is on hand to help wherever they can. On top of that, we are dedicated to listening to our team members and changing for the better.

- Be a part of a **wide network of dental nurses**, and you will have the opportunity to get advice, share your own wisdom, or just build friendships.
- Access to our **dental nurse Facebook group**, led by our Lead Dental Nurse Trainer.
- Plenty of opportunities to make suggestions and provide feedback to the business.
- You will receive **regular, direct communications** from senior leadership.

Well-invested practices

Our practices are vital to what we do. That is why we are continually investing where needed to ensure all our teams can provide the best care in a comfortable environment.

- Modern, efficient and **high-quality practice environments**.
- We're **investing £20m per year** in our practices to ensure they have the **best facilities**, including spacious waiting areas and staff facilities.
- We've invested more than **£2.5m** to install **advanced air filtration** units across every surgery to ensure all our colleagues are safe.

The chance to make a difference

At {my}dentist, you will have the opportunity to help us provide life-changing dental care and give back to your community whilst you are at it.

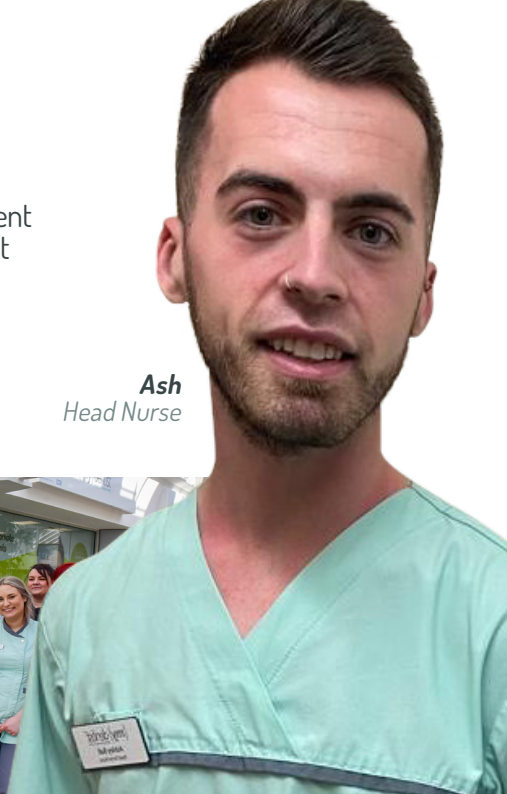

- **94% of patients say they would recommend us to a loved one** if they needed care.
- We strive to support and give back to our local communities. Back in 2019, our clinicians and employed colleagues chose our **two charity partners**, Dementia UK and Bridge2Aid, and we have been raising funds ever since.
- We are passionate about **improving the oral health of our local communities**, providing oral health education via our Kids Club.

Summary

There has never been a better time to join {my}dentist. With record investment in our people and practices, the largest clinical support team in UK dentistry, and unrivalled opportunities, you will have the freedom to build the career that's right for you and provide the highest level of care to your patients.
