

Friendly and supportive, small group educational courses for adults aged 19+

Youth Education Service

Adult Learning Courses

June to July 2022

Dyslexia Support and Study Skills

Tuesday 10-12noon for 5 weeks

21st June to 19th July 2022

For adults who have been diagnosed as dyslexic or think they are. Learners will develop knowledge of self-help strategies and skills that will enable them to study and work with greater confidence.

Confidence for Learning Maths

Tuesday 1-3pm for 3 weeks

28th June to 12th July 2022

An introductory programme for adults wanting to return to learning maths. This short and interactive course will support learners to build classroom skills and confidence and support their progression to further educational programmes.

Digital Study Skills

Wednesday 10-12noon for 3 weeks

6th July to 20th July 2022

A 3 week course aimed at 19+ year olds wanting to develop essential digital study skills and confidence to support their learning.
