

Develop a career in the green economy.

Are you or do you know someone, who is currently unemployed and interested in a career in the green construction sector?

Evolve Home Energy Solutions Ltd is looking to recruit individuals who live in the in Bristol City Council area to join our teams working to improve the energy efficiency of Bristol's home.

This is an exciting opportunity to develop skills and experience in a thriving sector with a company that cares about its staff and offers great rewards. Working with our experienced and supportive team of qualified installers, our permanent post includes training leading to a NVQ level 2 Insulation and Building Treatment.

Currently 2 Posts on offer:

Starting mid-July, the roles will involve supporting our qualified installers in the delivery of external refurbishment projects including labouring work, property protection, customer engagement and site cleanliness. Full training given including Health & safety training to enable the candidate to achieve their CSCS operative's card provided.

Interviews will be held in Bristol area week commencing 27th June.
