Prince's Trust

AGED 18 TO 30?

## DO YOU HAVE A PASSION FOR I.T AND WANT TO LEARN MORE?

This FREE online Prince's Trust programme with Google.org and INCO Academy gives you the opportunity to gain one of three industry recognised qualifications via the Coursera platform, including; Google IT Support Certificate, UX Design or Project Management.

The programme involves regular group check-ins and time for self-led learning which will enable you to gain this qualification within 3 months. In addition you will receive mentoring and support into employment within the IT sector.
