

This fully-funded 3-week training programme can lead to a rewarding new career in many of over 350 different job roles within the NHS.

SWAPs develop your basic skills and knowledge to confidently apply for a variety of NHS job roles including:

Flexible working.

An immediate opportunity to work - ideal for candidates seeking the flexibility of choosing their hours and easing back into work. These opportunities are in administration, Healthcare Assistant and Mental Health Support roles.

Fixed term and permanent roles.

This route offers the opportunity to access roles (fixed term and permanent) across all departments within the trust. There are over 350 different jobs within the NHS – there really is something to suit everyone.

In addition to bespoke training from Somerset NHS Trust you will gain a Gateway Level 1 qualification in Health and Social Care including:

- Health and safety awareness
- Principles and values in health and social care
- Person-centred support in health and social care
- Service provision and roles within health and social care
- Introduction to mental health
- Working with others in Health, social care and children's and young people's settings.

The first 2 weeks training are delivered by Weston College via Microsoft Teams and the 3rd week will be delivered virtually by NHS staff with one day face-to-face training in Taunton.
