

AVAILABLE ANYTIME, ANYWHERE

FREE ONLINE COURSES

Free online qualifications available in a range of subjects. Made to support both full-time employees and learners who are working towards career progression.

Benefits

- A nationally recognised qualification
- New skills
- Enhanced CV
- Complete the course at individual pace
- Career advice and job development
- Support from subject specialist tutors

How are these courses delivered?

Learners are required to attend an initial programme launch session, where they will receive details around our online learning platform and first assignment to allow individual studies to commence.

Our Online Learning platform allows both employed and unemployed learners to upskill in their own time planning study around home, work, and life. All programmes are fully supported with a learner co-ordinator and tutor – help on hand when you need it.

Eligibility

You are eligible to do any of these courses if you are aged 19 or older (as of 31st August 2021) and do not currently hold a qualification in the same subject (level 2 and above).
