

Train your way to a job offer through a Skills Bootcamp.

Opportunity to kick start your career in tech – no prior IT experience required.

Skills Bootcamps are fully funded by the Department for Education as part of the Skills for Life Initiative.

We have the following pathways on offer:

Digital Marketing
Web Development
Data Analysis
Agile Project Management

Throughout the **12 weeks**, as a learner you will also have access to mentor sessions with industry experts and professionals. This allows you to explore roles in a chosen pathway and helps build a career plan.

After successful completion of training, you will receive an accredited certificate in your chosen pathway, which can be added to your CV & LinkedIn profiles.

If this is something you would like to learn more about, all you need to do to begin this exciting journey is submit an application [here](#) and then our Tech Skilling team will be in touch with you to discuss further - please don't forget to include London Metropolitan University as your reference!

We look forward to receiving your application!
