

DRIVER TRAINER

BACKGROUND INFORMATION

Avon Fire & Rescue Service (AF&RS) serves the Unitary Authority areas of Bristol, Bath & North East Somerset, North Somerset and South Gloucestershire. It has 21 operational fire stations, together with offices, covering all areas, with its Head Quarters based in Portishead, near Bristol. AF&RS Control Centre, where emergency calls are handled, is situated in Lansdown, near Bath.

With an annual budget in excess of £50 million, AF&RS delivers a wide range of fire, rescue and community safety services across a geographic area of approximately 514 square miles with a residential population of more than one million people.

AF&RS employs over 800 staff made up of whole-time and on-call Firefighters, and staff in its Control Centre, Service Delivery Support, and Corporate Services.

With effect from July 2023, UK legislation was amended to enable Fire & Rescue Services to undertake standard Disclosure and Barring Service (DBS) checks for all employees. All AF&RS posts therefore require a standard DBS check, with a few defined roles requiring an enhanced DBS check. These DBS checks will be renewed throughout employment.

This post is in the Driver Training Team, within the Service Delivery Support Directorate (Learning & Development), and reports to the Station Manager (Operational Training & Driver Training Unit).

This role is based at Nova Way Technical Services Centre, Avonmouth, Bristol, and is a temporary post to cover long term sickness.
