

JOIN OUR FOCUS GROUP & HELP SHAPE A CREATIVE REVOLUTION!

Are you an autistic adult or a family member, partner or carer of an autistic adult living in Bristol?

Your unique perspective is important to us!

We're on a mission to develop these innovative creative services:

-  A platform for neurodivergent people and those with mental health conditions to share their experiences
-  Hosting Immersive public installations to help others to understand your perspective
-  Discussion and learning through workshops to empower people to support others

Join our online focus group discussions about these services in November & for 60 minutes of your time you'll receive a £15 voucher as a thank you! 

To participate or for more information, this link will take you to our form:
