

# SWAP

## SECTOR-BASED WORK ACADEMY PROGRAMME

# NSEC

NORTH SOMERSET ENVIRONMENT COMPANY

**Join us on this Sector Based Work Academy, designed to equip you with the necessary skills and knowledge for success in various positions within the company, and prepare you for a guaranteed interview with NSEC at the end of the course!**

You will cover employability and customer service skills, as well as communication and problem solving, all of which are essential for success in all employment sectors and invaluable for your professional development.

By the end of this program, all participants will have the necessary skills to excel in their role as loaders, and be equipped to represent NSEC and North Somerset Council effectively whilst ensuring the safety and satisfaction of residents during waste collection activities.

### THE ROLE OF A LOADER

You will spend the majority of your time on the rounds, working with your crew, ensuring that all waste placed out for collection is removed, assisting residents as required, and at all times ensuring that both NSEC and the council are represented well.

Health and Safety is paramount in the refuse collection industry, and you will always ensure that both yourself and your colleagues are operating in a safe way.

### PROGRESSION OPPORTUNITIES

NSEC is dedicated to enhancing the skills of its workforce, paving the way for career advancement into higher paying roles. Among the opportunities available are roles such as HGV Drivers, and various roles as plant operatives including 360 excavator operatives.

Join us in this endeavour to elevate your career prospects and achieve professional aspirations with NSEC!
