

NEW LEVEL 2 RAIL TRACK MAINTENANCE COURSE AVAILABLE

COMING TO BRISTOL

INFORMATION SESSION DAY
1ST OCTOBER 2025

- Level 2 NVQ Diploma in Rail Engineering Track Maintenance
- Level 2 Certificate in Rail Engineering Underpinning Knowledge
- Guaranteed Interview
- Safety Critical Training

FREE COURSE*

COURSE START: 13TH OCTOBER 2025

The Level 2 Rail Engineering Track Maintenance qualification equips you with essential knowledge and practical skills in railway engineering. The course combines theory and practical lessons, requiring you to create a portfolio and complete rail track assessments. You'll receive full rail-approved Personal Protective Equipment (PPE) for your training. A guaranteed interview will be provided on completion of the course.
