# SKILLS BOOTCAMPS: Vocational ESOL

**This course will help you improve your English for work. You will learn to speak confidently in professional situations, use job-related vocabulary, and get ready for job applications and interviews. At the end, you will do a real job interview to practice your skills.**

Skills Bootcamps are free, flexible courses, giving people the opportunity to build up sector-specific skills and an offer of an interview with an employer upon completion.

**You can choose from one of the below:**

## CONSTRUCTION

Learn site-specific vocabulary and safety language

Understand construction site expectations and teamwork communication

**Prepare for and complete your Green CSCS Card, essential for working on construction sites**

Gain insight into roles such as labourer, site assistant, or general operative

## WAREHOUSING & LOGISTICS

Master the language used in stock control, goods handling, and warehouse safety

Learn how to follow instructions, complete forms, and communicate with supervisors

**Train for and earn your ITSSAR accredited Forklift Licence**

Open doors to roles like warehouse operative, picker/packer, or forklift driver

## HEALTH & SOCIAL CARE

Learn how to respond to common workplace incidents and communicate clearly in emergency situations

**As part of the course, you'll complete a First Aid Certificate, tailored to the risks and scenarios found in the workplace**

This practical qualification is a valuable addition to your CV and supports your readiness for roles in the construction industry

To be eligible for this course, you must be at ESOL Level 1, aged 19 or over, and living in Bristol, Bath & North East Somerset or South Gloucestershire.

You must also be eligible to work in the UK and actively seeking employment. Please note that you cannot have completed a Skills Bootcamp in the past financial year.
